

September 11, 2025

Construction Impact Notification Belleville Terminal Redevelopment

On Saturday, September 13, 2025, divers will be conducting a marine survey and works. All dive activities will be confined to the construction zone line shown in blue, and most activities will take place within the yellow shaded zone.

Work is scheduled between 8:00 a.m. and 4:00 p.m. and will be conducted by a team of three certified divers using SCUBA equipment. A 20-foot support vessel will be docked alongside the wharf during operations to assist with dive activities. The designated dive areas will be clearly marked with buoys.

Please exercise caution near the site during this time and respect all posted signage and barriers. No disruption to public access is anticipated, but minor noise, diving, and vessel movements may be noticeable during working hours.

What to Expect

Timing

- September 13, 2025.

Hours of Work

- 8 A.M. to 4 P.M.

Traffic

- None.

Impacts

- No public access restrictions or impacts outside of the designated zone.
- Visual changes on the water due to the presence of a diving vessel and SCUBA divers.

Thank you for your patience and understanding while we complete this important work.
