Construction Impact Notification Belleville Terminal Redevelopment

Construction site map: Work area shown in red

As construction of the Belleville Terminal progresses, **Sunday work will be required until mid-July 2026 to prepare the foundation of the future terminal building.**

This work includes rock socketing in support of piling activities.

There will be moderate levels of construction noise during daytime working hours including setting up equipment, generators and rock socketing.

What to Expect

Timing

- Sundays from June 27 to July 19, 2026

Hours of Work

- 10 A.M. to 7 P.M.

Traffic

- No anticipated traffic impacts

Impacts

- Moderate noise levels during rock socketing activities

Thank you for your patience and understanding while we complete this important work.
