

## Construction Impact Notification Belleville Terminal Redevelopment

Please be advised that Pomerleau Inc., the contractor for Phase 2 of the Belleville Terminal Redevelopment Project, will be conducting a geotechnical investigation from July 7-July 31.

The work will be carried out using drilling equipment within the Clipper Terminal area. People in the area can expect some elevated noise levels during this time.

Construction activities will take place within the hours permitted under the City of Victoria's Noise Bylaw, which is between 7:00 a.m. and 5:00 p.m. on weekdays.

This work is necessary to determine the geotechnical conditions of the site in preparation for the foundation work for the new wharf and building.

### What to Expect

#### Timing

- July 7 to July 31, 2025.

#### Hours of Work

- 7 A.M. to 5 P.M., or as required.

#### Traffic

- No traffic impacts are expected.

#### Impacts

- People in the area can expect some elevated noise levels during this time.

Thank you for your patience and understanding while we complete this important work.
