

Construction Notification | August 10, 2026

Large Concrete Pours and Continued Truck Staging

Truck staging in blue area

Timing: August 12

Hours of work: 3:30 am to 1pm

Ongoing concrete pours are planned as work on the building foundation progresses. Due to high temperatures during summer months, a number of these concrete pours will begin during the early morning hours.

Additional concrete pours with trucks staging on Pendray Street approximately 1-2 times a week, are also ongoing until December during regular hours of work Monday-Friday 7am-7pm and Saturdays 10am-7pm.

What You Can Expect:

- Increased concrete truck and construction-related noise and traffic
- Elevated noise from concrete trucks including back-up beepers, with additional noise mitigation in place until 7am
- Traffic control personnel will be on site to manage vehicle movements and ensure the safety of workers and the public

Thank you for your patience and understanding as we build the new terminal.
