

## Construction Notification

### **Temporary Closure: Belleville St and Pendray St**

Truck staging in blue area  
Road closure in red with vehicle detour along  
green line and pedestrian route in yellow

**Timing:** October 6, 2026

**Road closure:** 6:00 am – 6:00 pm

**Hours of work:** 7:00 am – 7:30 pm

Ongoing concrete pours are planned as work on the building foundation progresses. This includes an upcoming pour that will require a temporary closure of Belleville and Pendray Streets to vehicle traffic in both directions due to the placement of concrete pump and trucks. Due to the size of this concrete pour, this activity is anticipated to take place from 7:00 am to 7:30 pm.

#### **What You Can Expect:**

- Temporary closure of Belleville and Pendray streets with signed detour
- Traffic control personnel will be on site to manage vehicle movements and ensure the safety of workers and the public
- Increased concrete truck and construction-related traffic, and elevated noise

Thank you for your patience and understanding as we build the new terminal.
