POMERLEAU

Belleville Terminal REDEVELOPMENT

BRITISH COLUMBIA | transportation investment corporation

Construction Notification

Weekend Construction

Date: Sunday, November 1

Hours of work: 11:00 am to 7:00 pm

As construction of the Belleville Terminal progresses, work will be required this weekend.

The tower crane will be used to install steel columns for the terminal building.

All activities will take place within the project site.

What You Can Expect:

- Minimal levels of construction-related noise during daytime working hours
- No deliveries or traffic entering or exiting the project site

---

Thank you for your patience and understanding as we build the new terminal.
